General Information

1.1 Copyright

© Copyright 2009 Johnson Controls Inc. – All rights reserved.

No part of this document may be reproduced, published, stored in an electronic database or transmitted in any form or by any means without the permission of Johnson Controls Inc.

In keeping with its policy of continuous improvement of product quality, Johnson Controls Inc. reserves the right to make changes at any time, without prior notification and without obligation to incorporate them into products already sold. As such, this document may have been subject to modification during the life of the product.

As a consequence, some images used for illustration may not correspond to this specific model. No claims will be accepted based on the data, illustrations or descriptions in this manual.

No modification may be made to the unit without prior written authorisation by the manufacturer.

1.2 Introduction

This manual provides the necessary information for the safe and correct use of the unit. Along with the rest of the documents provided with the unit, this document forms an integral part of the user and installation manual. As such, it should be kept in good condition in a suitable place.

READ AND UNDERSTAND THIS MANUAL BEFORE USING THE UNIT. This document provides the knowledge required to use the unit safely and efficiently along with the necessary instructions for installation and maintenance. Using this knowledge guarantees the condition and operating safety of the unit.

Store these documents in an appropriate place that is easy to find to be sure that the information included in them remains available. If you need another copy, contact Johnson Controls Inc. [Contacting the manufacturer](#) , see on page 6 .

1.3 Unit identification

1.3.1 Product nomenclature

ACTIVA Series					
	Roof Top				
		Model			
		C: Air conditioning			
		H: Heat pump			
		G: Air conditioning, gas heating			
		D: Heat pump, gas heating			
			Rated cooling capacity		
			045: 45 kW		
			060: 60 kW		
			075: 75 kW		
			090: 90 kW		
				Version	
A	R	C	045	A	

1.3.2 Rating plate

The rating plate is located on one of the corner panels of the unit, visible to users.

It specifies the defining features of the air conditioning unit. The CE marking logo is on the upper left margin.
